

TEAM BUILDING

Revisiting the approach to performance in business by embodying a unique model where playfulness serves purpose.

The formula includes:

- **Professionnal Speaking** : tailored or based on one of benjamin's expertise subjects
- **Team building** : A moment around ping pong to strengthen team bonds through a completely refreshing approach
- **Exhibition or/and the possibility to challenge a champion at the table** : imagine if you manage to win a point, how will you feel ?

Designed for teams who:

- Want to create an impactful moment for their team
- Feel overwhelmed and need to bring a refreshing energy
- Want to work with Benjamin in coaching (ping pong is a great way to understand people and how to optimize the work with them)

An extraordinary way to combine inspiration, team cohesion, and a unique sharing moment with an Olympic athlete.
